

# Otterbourne Court

# Otterbourne Court

Brendoncare Otterbourne Court is a new care home nestled in the Hampshire village of Otterbourne. It provides both nursing and dementia care for up to 64 residents in a family-like environment, filled with opportunities for friendship and a sense of community.

For a home-from-home feel, Otterbourne Court is divided into smaller households of 16 bedrooms. Our experience over the last 30 years has shown that these smaller households create a lovely family-like atmosphere. At Otterbourne Court, each one includes a selection of communal areas and facilities where you can socialise with other residents. There are also other spaces for quieter occupations and tranquillity.

Our staff never forget that they come to work in your home and respect your privacy and wishes at all times. Your family and visitors are welcome at any time and are able to enjoy the facilities at Brendoncare Otterbourne Court with you.

The layout of the households has been specifically designed to help people find their way around easily. Outside, the gardens and the bowling green are a real feature.

An array of activities is offered based on what residents enjoy, whilst the adjoining community hub provides further facilities for friendship, community and family dining.
