

Brendoncare Alton

An 75 bedroom care home providing nursing and dementia care in a warm and safe environment

- Nursing and dementia care home designed around small household living for a home-from-home feel
- Purpose-built property in Alton with easily accessible gardens
- Care is planned around each person’s needs and wishes

Situated in the Hampshire town of Alton, Brendoncare Alton provides compassionate care which places the individual at the heart of everything we do.

Brendoncare Alton is a purpose-built property designed around the provision of nursing and dementia care which meets the needs and preferences of each person. It is arranged into five households, two of which are focused on supporting people who are living with dementia, providing the feeling of belonging to a family.

The communal areas are welcoming and comfortable, creating spaces for enjoying activities or simply spending time with others. The attractive gardens are easily accessible for residents, with some rooms having direct access to the outdoors.

Each bedroom has en-suite facilities and a front door complete with door knocker for a feeling of privacy.

Our exceptional catering team produces tasty, healthy meals and our chef is always happy to meet any special request from the residents. Families and friends are also invited to join their loved one for a meal in the restaurant. Our nursing and care team is on hand around the clock to provide compassionate care.

Brendoncare Alton has close links with the local community and there is a varied programme of events and activities.

Brendoncare Alton is located close to Alton town centre and is a flat walk to most local amenities.
